

VIP for Diabetic Cats

Purpose, Dedication, Contributors, Sponsor

Purpose

The Veterinary Informational Packet (VIP) for Diabetic Cats is a set of informational documents for the companions of diabetic cats. It is meant to be freely reproduced by veterinarians and freely distributed to their clients. The purpose of the VIP for Diabetic Cats is to provide materials that will improve the quality of life of all diabetic cats.

Dedication

The VIP for Diabetic Cats is dedicated to all the diabetic cats, past and present, who've braved insulin injections, ear pricks, hypoglycemia, and DKA. Their tremendous spirit and vitality inspired this project.

Contributors

The following people provided research and documents for the VIP. This project would not have been possible without them and their diabetic cats:

Bob and Simon

Lisa and Gorb

Diana and TC

Melissa and Popcorn (GA)

Janet and Binky

Nancy and Harry (GA)

Laurie and Jasper (GA)

Shirley and Pico

And all the other members of the FDMB who contributed in spirit.

A note from the sponsor

Thank you to everyone who has helped put this project together. I could never have done this alone. Together, we can make sure that every diabetic cat receives the love and care they deserve. You've changed my life.

And thank you, Boots, for being the sweetest cat in the world.
